

APsystems Warranty Transfer Form

Asia, New Zealand, South America, North America (excluding USA/Canada)

The YC250, YC500, YC600, YC1000, QS1 Microinverters (the "Product") supplied by Altenergy Power System Inc. ("APsystems") are designed to withstand normal operating conditions when used for their originally intended purpose in compliance with the APsystems User Manual supplied with the system. The APsystems Limited Warranty ("Limited Warranty") covers Products that are inoperable because of defects in material and workmanship ("Defective Product") during the Warranty Period. To determine if the system remains under warranty, please contact APsystems at www.APsystems.com. During the Warranty Period, this Limited Warranty may be transferred to subsequent owners of the Product upon completion of this Warranty Transfer Form, and payment of the transfer fee as shown below.

APsystems will transfer the existing Warranty on the system shown below upon receipt of this duly executed form and the \$100 USD transfer fee (or the equivalent in local currency as may be authorized by APsystems upon request), provided this request is made within 30 days of the actual date of ownership transfer. APsystems reserves the right to confirm the actual date of ownership transfer. APsystems will provide written confirmation of the Warranty transfer.
